KENYA

AFRICA

Kenya, located in East Africa, is a country of breathtaking natural beauty and rich cultural diversity. Known for its vast savannahs, Kenya is home to some of the world's most famous wildlife reserves, including the Maasai Mara, where the Great Migration takes place. From the snow-capped peaks of Mount Kenya to the pristine beaches along the Indian Ocean, Kenya offers a variety of landscapes perfect for exploration. Nairobi, the bustling capital, combines modern urban life with nearby nature, like Nairobi National Park. With its rich traditions, vibrant cities, and incredible wildlife, Kenya is an ideal destination for adventurers and nature lovers.

ITINERARY

Day 01. Arrival

Upon arrival in Nairobi, claim your bags and proceed towards the arrival hall. Our representative will meet you and assist with your transfer to the hotel.

Day 02. Nairobi – Maasai Mara

Rise early to enjoy a delicious breakfast at your Nairobi hotel. After breakfast, depart for Maasai Mara Game Reserve. Travel through Maasai country, occasionally coming across Maasai herdsman with their livestock, living harmoniously with the wildlife.

After lunch at your lodge, a game drive is planned in these vast rolling grasslands. Here, you'll find the classic image of Old Africa from the movies: rolling grasslands dotted by acacia trees and sweeping plains teeming with wildlife. No matter how much you've imagined Africa, this will exceed your expectations—and serves as an ideal backdrop for a hot air balloon expedition.

During your stay, you'll also visit a Maasai village to witness the singing and dancing that are part of their daily lives and sacred rituals. A glimpse into their homes and social structure is a deeply moving experience. (Approx. 5+ hrs drive)

Day 03. Explore Maasai Mara

Morning and afternoon game drives in this magnificent park. Maasai Mara is famous for the annual Wildebeest Migration that takes place between July and October.

During this time, over a million wildebeests, accompanied by thousands of other herbivores, migrate from Serengeti National Park to the Mara in search of greener pastures.

Hundreds of lions and hyenas follow, preying on the older and weaker animals. The legendary black-maned lion is only found in Maasai Mara, and the cheetah hunts best in these open grasslands.

Day 04. Maasai Mara – Lake Naivasha

After breakfast, transfer to Lake Naivasha, arriving in the late morning.

After lunch, enjoy a boat ride (optional visit to Crescent Island).

Located on Lake Naivasha, Crescent Island Game Sanctuary is one of the most beautiful parks in Kenya, often called Naivasha's best-kept secret. Surrounded by water, the island is actually a peninsula, accessible only by boat from the east or west side.

The shores are home to abundant birdlife, including pelicans, cormorants, and the iconic fish-eagles with their haunting cry. There are more animals per acre than in any other Kenyan park, making it a favored location for film companies shooting herds of wildebeest, waterbuck, zebra, and gazelle. Hippos graze at night, then sleep under the acacia or rest in the water during the day.

From the top of the hill, you can enjoy a 360-degree view of the lake, with vistas stretching from Longonot to Hell's Gate, the Mau Escarpment, and onto the Aberdares. Walking along the ridge in the golden hour before sunset, while watching the animals grazing with the shimmering water beyond, captures the essence of Africa.

(Approx. 4+ hrs drive)

Day 05. Lake Naivasha – Amboseli

Depart by road to Amboseli National Park. Enjoy a game drive en route to your lodge. The park shelters over 420 species of birds and has an enormous elephant population, as well as other big game drawn to the underground springs fed by the melting snows of Mount Kilimanjaro.

Lunch is served at the lodge, followed by an afternoon game drive. Return to the lodge for a delicious dinner. (Approx. 5+ hrs drive)

Day 06. Amboseli

Rise early to enjoy clear views of Mount Kilimanjaro before clouds build up over the summit. After breakfast, set off for a morning game drive. Amboseli is a prime location to view a wide variety of wildlife, including wildebeest, giraffes, baboons, and more.

A visit to a Maasai village is available after breakfast (optional, at an extra cost). You will return to the lodge for lunch and a midday rest, followed by another afternoon game drive. Amboseli is home to the

proud Maasai tribesmen, known for their bravery and traditional way of life.

Day 07. Amboseli – Nairobi

After breakfast, transfer back to Nairobi, arriving in the afternoon. You will spend the night at a Nairobi hotel. (Approx. 6+ hrs drive)

Day 08. Departure

Today marks the end of your Kenya safari vacation. After breakfast and check-out, you will be transferred to Jomo Kenyatta International Airport (JKIA) for your flight home. You will leave with a big smile and a lifetime of unforgettable memories!
