## Day 01. Arrival

Upon arrival at Heydar Aliyev International Airport, a representative from our company will meet and transfer you to the hotel for check-in. In the evening, you can enjoy a walk along Baku Corniche, experiencing the charm of the city's night ambiance. Return to the hotel for some free time, or relax (optional).

## Day 02. Baku City Tour

After breakfast at the hotel, the driver will take you to Highland Park, offering a stunning view of Baku city. Next, you'll visit the Old City and the Maiden Tower, a UNESCO World Cultural Heritage site. We'll then head to the Flame Towers, a modern symbol of Baku, and explore its museum, which tells the story of the city's development. From the top floor, enjoy a panoramic view of Baku and the Caspian Sea. The tour continues with a visit to Shirvanshah Palace, dating back to the 15th century. After lunch, we will visit the Carpet Museum, home to the world's largest collection of Azerbaijani carpets. The tour also includes a stop at Little Venice Park, where you'll feel like you're in a mini version of Italy. In the evening, take a leisurely walk along Baku's seaside to enjoy the spectacular views of Baku at night.

## Day 03. From Baku To Guba City

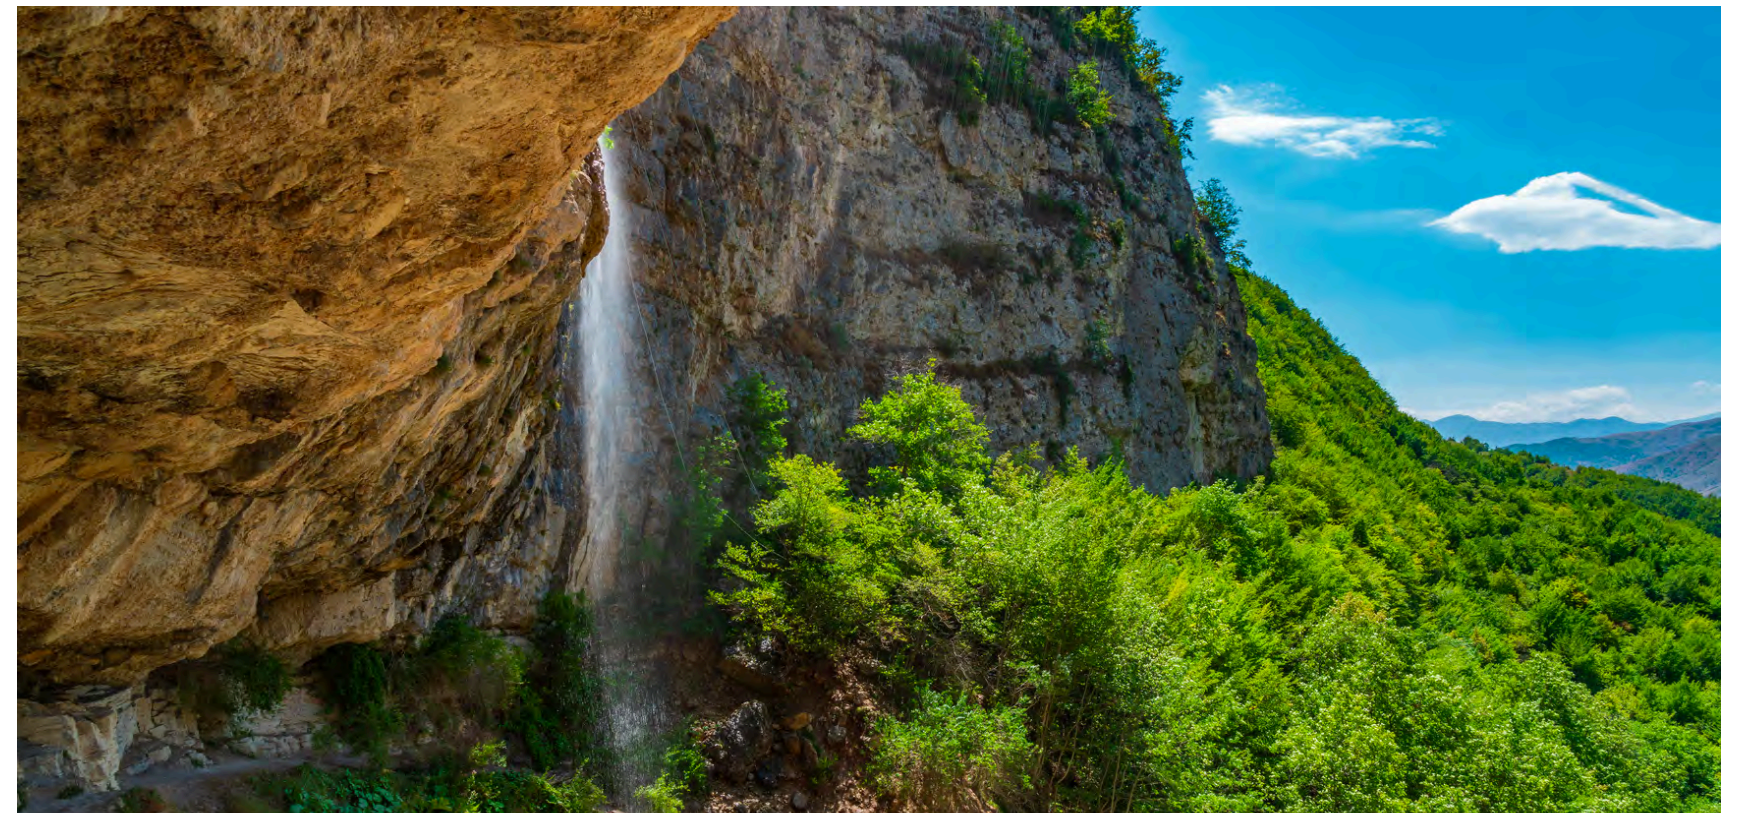

After breakfast, we will depart from Baku and drive approximately 170 km to Guba, one of Azerbaijan's most famous natural wonder cities. This region is renowned for its breathtaking natural beauty, with picturesque forests, towering valleys, rivers, lakes, waterfalls, as well as medieval buildings and ancient mosques. Guba is also famous for its apple orchards and carpet weaving. After arriving in Guba, you'll check in to your hotel and enjoy dinner, followed by free time to rest.

## Day 04. Tangaalti & Afurja Tour

Following breakfast at the hotel, we'll head to one of Guba's most beautiful natural sites—Tanga. This scenic destination is particularly stunning in the autumn, when the mountainsides are painted with vibrant colors. We'll continue to Afurja, the highest waterfall in Azerbaijan, hidden among the mountains. You can either hike or take an off-road vehicle to reach the waterfall. Each season offers a unique experience—autumn colors or a frozen waterfall in winter. After enjoying local cuisine, we will return to the hotel.

## Day 05. Guba – Baku

After breakfast at the hotel, we will transfer you back to Baku (about 168 km/2-3 hours). After checking into your hotel in Baku, you will have free time to rest.

## Day 06. Absheron Tour

After breakfast at the hotel, we'll visit the Heydar Aliyev Center, an iconic cultural center designed in 2012 by Iraqi architect Zaha Hadid. We will then explore the Absheron Peninsula, located 20 km from Baku, where you will witness Yanar Dag (Mountain of Fire), a natural gas fire that has been burning for centuries and was considered sacred by ancient fire worshippers. Next, we'll visit Ateshgah, the Fire Temple, built by Indian merchants in the 17th and 18th centuries. The temple is rooted in the ancient fire-worshipping religions of Azerbaijan.

## Day 07. Departure

After breakfast at your Baku hotel, the driver will transfer you to the airport for your departure, depending on your flight time. If your flight is in the evening or at midnight, you can choose an additional tour for an extra charge.
