ITINERARY

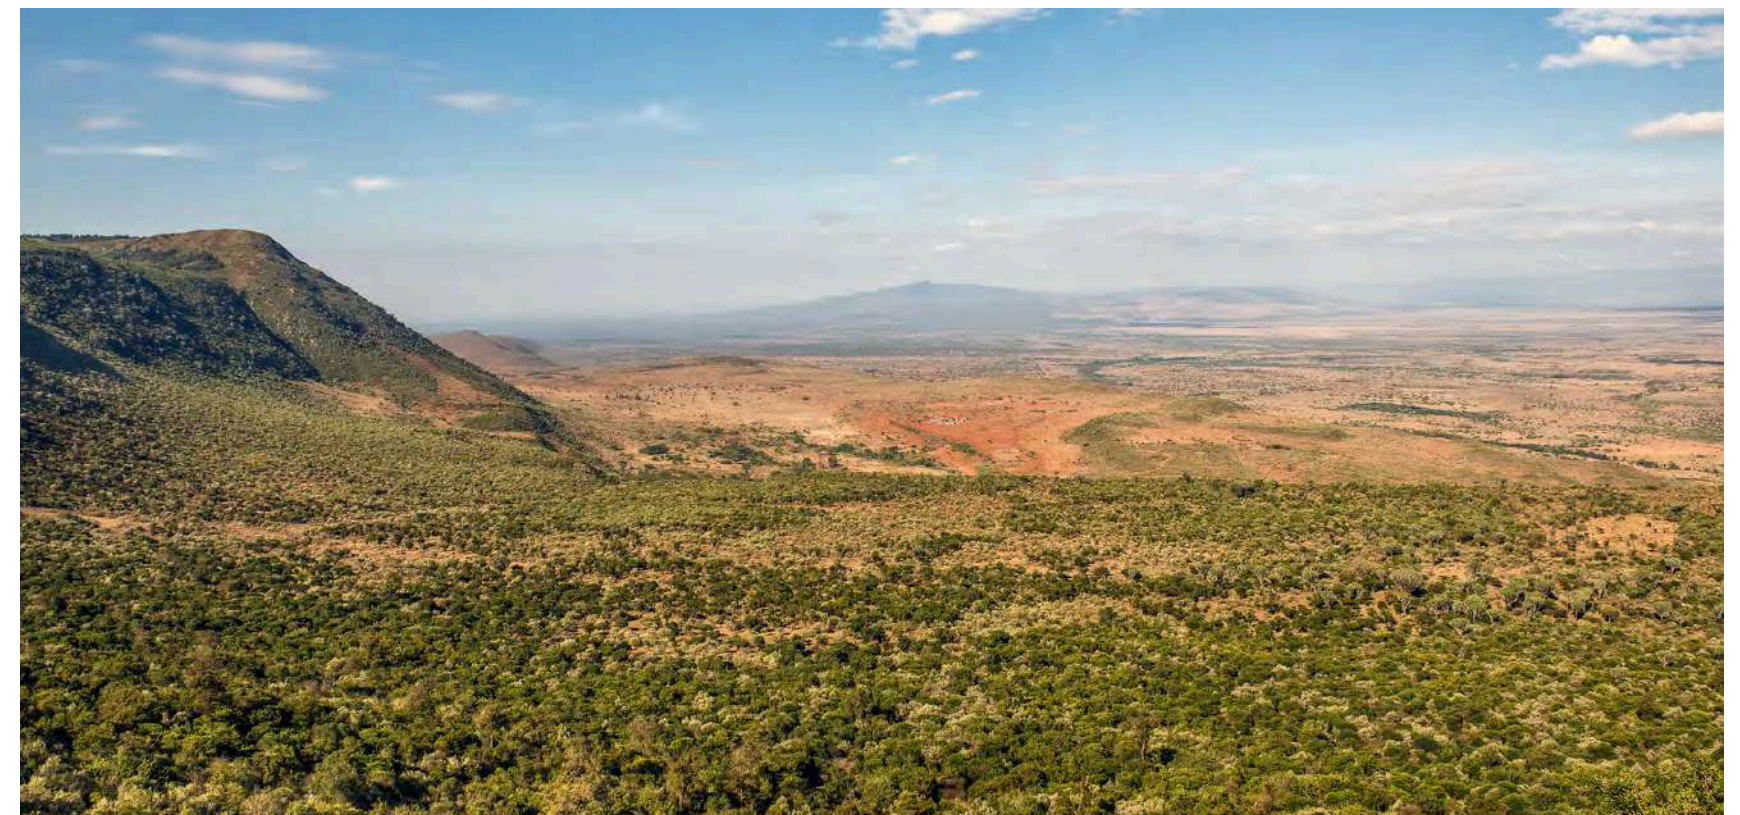

Day 01. Arrival

Arrival to Nairobi, you will be picked from the airport (JKIA) and taken directly to your hotel for check in and thereafter lunch in Lake Nakuru, with a brief enroute stop over at the Rift valley view point. This shallow Soda Lake has been famous for its flamingos but has also retained its reputation as an ornithologists' delight with more than 400 species of bird found here. You may get out of the vehicle at the lake shore to get a closer look at the birds. The nearby cliffs offer sightings of baboons, birds of prey and scurrying hyraxes, as well as great views of the park. The national park covers 180 sq km and is home to warthogs, waterbuck, buffaloes, reedbucks, and the occasional leopard as well as white and black rhinos which were introduced to the park some years ago. Later we will go to your lodge for the night in Nakuru.

In the late afternoon you will go for a game drive and later come back to the hotel for dinner.
