Free time at your disposal and departure for the picturesque Andalusian village of Sidi Bou Said, part inspiration for many painters and artists. Enjoy your coffee or tea from the Caldera. Transfer to hotel in Tunis, accommodation, dinner, and overnight stay.

Day 02. Carthage – Kairouan – El Jem – Gafsa – Tozeur

After breakfast, we depart for Kairouan, the 4th most sacred city in the Muslim world after Mecca, Medina, and Jerusalem. In the sacred city of the country and in the city of carpets, we will admire the tanks built by the Alghavides in the 9th century, the mosque, and visit carpet making, where you can bargain. We continue on to El Jem, the Roman Empire's most well-preserved amphitheater. The signs of some raids are imprinted on it at times, but the dry climate has protected it from erosion. Departure for Tozeur via Gafsa, the largest in central Tunisia. Accommodation at the hotel, dinner, and overnight stay.

The local guide will take us about 70 km into the desert. Here you can take unique photos and enjoy the absolute privacy. We will visit the Oasis of Chebika, Tamerza, and Cascades, and then depart for the dunes and scenery of the Star Wars movie. Return to the hotel, lunch, and free time. An evening optional Bedouin night of fun with plenty of wine, food, and traditional dances. Overnight.

Day 04. Tozeur – Douz (Camel Riding) – Matmata – Hammamet

After breakfast, departure for the city of Douz. After crossing the salty Lake El Gerid, we will reach Douz. We will personally ride a camel and wander the desert. You can also ride an Arabian horse.
